DIRECTOR'S MESSAGE

Phil Terry - Dir

Finally, cooler temperatures are here. While the folks back east and up north are putting away their cars for the winter, things in the desert are just getting up to speed.

September took Sandi and me to San Diego for their annual Ventura Cove Show. We were Mel and Sallie's house guests for the weekend and they showed us a grand time. The turn for the boat races is in Mel's front yard and we tried to figure out the schedule. The local paper and radio had different start times than we were seeing from the porch swing! On Saturday afternoon, everyone was sitting around enjoying cocktails...and Bob Joslyn, former boat racer, explained the start system to us and we would be "good to go" for the main event Sunday afternoon. It was chilly and overcast on the grassy beach that Sunday morning, but I still juggled a plate of BBQ and acquired a sunburn. The SDR packed off four awards too!!

On the 25th Sandi and I flew up to Boulder for the Rocky Mountain Region's annual show at the McCaddon Cadillac. The Regional Director, John Serfling, chauffeured us from the airport in his 1963 Cadillac to the show. The weather was perfect and the Dealer put on a generous luncheon. That evening, Tim Coy took us sightseeing in his 2001 Eldorado.

The October Regional meet at Coulter Motors in Tempe was the best attended show I've yet to experience in the Region. Tom Hodges carried the ball to the goal for the SDR! The hosts, General Manager Tom Dolbert and the Public Relations guru Terri Anderson, rolled out the red carpet for us. They truly showed "Cadillac style" with the show field, goodie bags, food and over the top class awards. Thanks again to Bill Hochgraef for bringing the SDR and Coulter Motors in Tempe together. On October 22nd the SDR furnished ten cars for the Kachina Cadillac 40th Birthday Party. The SDR earned \$500 for that display.

My old friend, Ted Jones, joined me on a road trip to Tucson for the Saguaro Region's Annual Dealer Show at Royal Cadillac. We cruised, in the '67 convertible, the back way through Coolidge, Florence, Cadillac Wash, Oracle and Catalina to the Tucson Auto Mall. After checking in at the hotel we headed to Keith and Marie Ambs' home for cocktail hour. Following a tour of Keith's cars, we went to Lil' Abners for steaks. Nice folks in Tucson, we should do more together with them.

The Indian School Block Party was even more fun than last year as we had 50% more cars. That earned us the most shade and Best Club Participation Award the second year in a row. Marv Price carried off two awards (one was Best of Show) and Ted got to drive his LaSalle home.

The Toyz for Totz run to Wickenburg, the Ronald McDonald House night at the Pavillions and the Annual "Christmas in January" Party are just around the corner. For many years the SDR has been a major contributor the Ronald McDonald House in Phoenix. We actually show up in their Annual Report! We plan to continue this tradition. We will start by collecting donation checks for entry to the Pavillions Show in December. At the January Party we will have a live art auction, by our own auctioneer Rich Dormois. Most of the art pieces are from the Jay Breeze collection and some members have also donated pieces. If you have a piece to add please contact Jerry McGilsky or me. Bring your appetite and your checkbook to the Party!

The CLC Museum and Research Center (MRC) also needs our help. For 2010, 2011 and 2012 the CLC National Treasury will match the Regions contributions to the MRC. Your Board has committed to raising \$1000 a year for the cause. I know that is a large sum for a small region, but the matching funds deal is too good to pass up. Over the three years our \$3000 will double to \$6000, a very significant Regional contribution. For 2010, we have achieved our goal with the Coulter Motors Show entry fees, the \$500 we got from Kachina Cadillac and the profits from Fred and Jacky's monthly meeting raffles.

Our condolences go out to John Melde on the loss of his father, Chris. We know he was a "Cadillac Guy" in every way, just look at this son!

The events for 2011 are shaping up quite nicely. Shows, road trips and a National Driving Tour in Amarillo Texas will be on our Events Web Page. So, come on out, bring your car and have fun with us, Cadillac Style!

Wishing you and yours a Merry Christmas, Happy Hanukah and a Prosperous New Year!

Phil
